“ *After my dad passed, Walt was like a father to me. We shared a love of hunting, fishing and old cars. I feel very fortunate to have spent a day with him just prior to his passing. I will miss him more than I can say. He has been an important part of my life for as long as I can remember. I will always treasure our time together. Until we meet again my friend. Bret*

“ My condolence to the family, Sorry to hear of your loss. I am an old friend from the past. My wife & I grow up in Green Haven and shared a lot of memories from our teenage years. Walt and the Gang would share a lot of time at Dell's, Ed Carr's gas station, the Honey Bee . We haven't crossed paths from years, I had heard he had suffered from Cancer in his last years. May his pain and suffering be gone and he is in the hands of The Lord

Sincerely,

Frank & Pat Calvert

“ I worked with Sergeant Gray for 29 of those 33 years he served on the police Department. Walt was a good solid Officer who became an able and knowledgeable supervisor. He taught many a young Officer how to perform well and left a long legacy of highly successful police work upon his retirement. Throughout his long and dedicated service he never lost interest in his chosen profession and he was universally respected by both the rank and file as well as the command staff. Walt had a dry wit that was infectious and made him even more effective as a supervisor. My condolences to his family and friends.
