“ When I was a little girl, I had the biggest crush on Uncle Ted. He is an extension of my Dad as they are first cousins. He was kind and caring with a little bit of sternness. He knew all of the cows names and was devoted to the farm. I will miss him. Love, Leslie and Tony

“ I learn to love and appreciate Ted from cardiac rehab. I always thought he was quiet and introverted, until one day he was giving me a hard time for coming in late. He always knew what was going on and would come out with some of the most interesting, amusing comments. he became a friend of mine and I will miss him.
