It's been 8 yrs since you've passed. It was like yesterday. I know you're around playing jokes and laughing. Remember Tianic, Armageddon we had great times mostly over all. Wanted to tell you I'm getting better with this but it will never go away. Our bestfriend ship was the ultimate and our loyal to each other. I love you, Paula

Here is another year without you. A lot of things have happened in 15 years to the date. Our children are doing so well in life. It was so difficult without you raising our children together. In life one gets a truest best friend ship but only once and maybe twice if they are lucky. I am still a very loyal person as you know. I see you every where. In my dreams, in my thoughts all the way around. You are heavily missed by me. So much so it's still so sad for me. I take comfort that you are doing alright. I continue to pray for your peace of mind that I am always going to be devoted and dedicated to your children that are ours. Nenêm is here and so beautiful really. I love you always. Together forever as you'd say. Here on earth and till eternity. God bless you my husband that took great care of his family. Rest In Peace for I always miss you so much. I can hear you saying look Paula at the boar hog wow omg you were so funny and beyond. We had great times and sad ones too. Ty for helping me with life. I'll never forget you. I love you. Happy Birthday on the 20th and Merry Christmas my Wally❤️
