“ To the family, It always saddens me when I hear that another classmate has passed from time to eternity. I always thought his name was spelled "Wade", but nevertheless I remember him from school. I pray the Lord will bring you comfort in the days, weeks, months ahead because after all is said and done and others have gone back to their various homes it is in that still small quiet moment that you will seek support the most. May the peace of God bless you and keep you.##imported-begin##TS

“ Aunt Nancy and family,

*Life.....so fragile, Loss....so sudden, Heart....so broken,...in the wake of such a loss, we are haunted by things we don't, and may never understand. Yet the solace we seek may not come from answers. So we look for comfort in the belief of love's everlasting connection. May that love lift you and hold you close, and give you peace. Nothing I can say will ease your pain but just wanted you to know I am thinking of you. Love to you and your family*
