

Wayne Thomas Humphries

January 9, 1945 - June 30, 2026

Wayne Thomas Humphries, 81, passed away peacefully on June 30th, 2026, leaving behind a lifetime of cherished memories, enduring friendships, and a legacy of love for his family.

Born on January 9th, 1945, Wayne was the son of the late Raleigh T. Humphries and Ruth Snyder Humphries. He was raised in Hyattsville, Maryland, where he graduated from Hyattsville Senior High School. To this day, he shared a close and lasting bond with Gino Facchiano, his longtime and loving childhood friend.

He was preceded in death by his beloved older sister, Willie Mae Schoenian of Naples, Florida.

He is lovingly remembered by his wife of many years, T Humphries, and his three children: Tracy Skiba and her husband, Paul, of Mount Aire, Maryland; Mark Humphries and his wife, Jessica, of Edgewater, Maryland; and Amanda Humphries and her wife, Ellen, of Vancouver, BC. He was a proud and loving grandfather to five grandchildren, all of whom brought him immense joy and pride. His nieces, Robin and Ruth, brought him great joy and comfort as well.

Wayne enjoyed a long and successful career as a financial advisor. He was the proud co-owner of Bayview Financial Group, alongside his business

partner and friend, Chip Brittingham. Throughout his career, Wayne was known for his integrity, wisdom, and genuine care for the people he served.

As a devoted man of faith, Wayne was a longtime member of Kent Island Methodist Church. He found great joy and meaning in participating in the life and ministry of his church community. Wayne belonged to many clubs and organizations including being a founder and contributor of several educational-related programs in Queen Anne's County, including "Character Counts!"

Wayne was an avid fan of Corvettes and a longtime member of the National Corvette Club, a passion that brought him great joy and lasting friendships over the years. His enthusiasm for classic cars was well known among family and friends, and his email address even reflected this passion, affectionately known as "Corvette Wayne." He also had a special place in his heart for his beloved dogs, who he loved as if they were his children, not just his pets. Wayne will be remembered for his kindness, generosity, sense of humor, and steadfast faith. His wisdom, compassion, and gentle spirit touched the lives of many and will continue to be remembered by all who had the privilege of knowing him.

“ *The contribution that Wayne made through Character Counts has had an immeasurable impact on so many young lives in our community. He recruited many, many volunteers over the years to spend a few minutes with young schoolchildren, instilling in them the pillars of character that would impact them for the rest of their lives. Rest in peace, my friend.*

I was so lucky to have met Wayne. He was not only a mentor but also one of the kindest people I've known. When I became the manager of BankAnnapolis in Stevensville, he welcomed me warmly and helped introduce me to the community. Seeing him walk through the doors of the bank was always a highlight of my day. His presence brought warmth, encouragement, and a sense of belonging that I will always cherish.

I met Wayne in 1955 when we were students in Mrs Babcock's 4th grade class. He lived a block away and we soon became fast friends. We walked to school together until Wayne got his driver's license. He loved girls and fast cars and he raced his '56 TBird through the Streets of Hyattsville flirting with all the girls enroute to Northwestern. After High School we drifted apart, then attended each other's wedding. The last time I saw him was in 1979 when we had lunch at Joe Theismann's.I wish I would have called him after he moved to Stevensville! He was a great friend with lots of energy, unshakable faith and a heart of gold. Enjoy Heaven, my friend I'll see you soon!

“ Dearest uncle Wayne, I think my bestest memory is every time Rock and Robin came on the radio you would call me and either I would answer or you would leave me a message saying here is your song. Also, I wonder for how many years at granny and granddaddy’s house in Hyattsville did we smell rotten eggs after Easter because we didn’t get all of them found after you hid them! Sunday dinners, holidays spent around the table with my loving family are some of my best memories of my childhood. Once I moved away, I would come back at that holiday season and it was always so wonderful to be able to hug and hold you and tell you how much I loved you I’ll see you and have an uncle Wayne tell mommy I said hi. I love you to the moon and back.

“ So many memories! Family meals and after dinner walks. I remember you calling when mom & I were on the phone and you joining us in devotions. I loved hearing your insights and you were always patient to hear mine! I will miss you, Uncle Wayne! I love you.
