“ To Penny, Danette and John, my heart aches for you and the grandchildren and Wendell's sisters and families. I wish I had words to comfort you during this rough time in your life. The one thing I can say is, Wendell was a fantastic family man and he loved all of you with all his heart. Him and I grew up together and had a lot of good times together. He is going to be missed every day but he will never be forgotten!!!! God bless each and everyone of you and I hope the thoughts of the good times with Wendell will help comfort you!!!! ##imported-begin## Jerry Phillips ##imported-end##
