“ My beautiful childhood friend. We shared so many memories growing up. I have always treasured them. Distance and time never lessened by bond with you. I can hear your laughter and see you grinning in mirth.

There's comfort knowing you're up there looking over us all. I love you. One day I'll meet you up there, and we'll see what mischief we can have at least once for old times' sake. 💜 Fly high my Angel Friend.

“ I first met Wendi when I worked at her daughters dentist office in Easton, and later volunteered with her at St. Luke's UMC while our kids attended vacation Bible School. I always thought she had such a sweet and gentle kindness about her, and it was easy to make her laugh. I'm so sorry for your family, and very sad to hear of her passing at such a young age. “ Wendi and I were best friends a portion of our childhood living in Harborview. I remember her warm smile and loving heart. We often walked the rock and tar roads to each other's house to play and hang out doing the fun things little girls did...playing store,house,Barbies. I remember feeling warm at her childhood home and loved playing in the back yard. I am shocked and my heart broke when I saw Wendi passed on. I may not have seen her in many many years,but our friendship and time together has carried in my heart all my life. That is just how much Wendi made an impact on me.
