

W. Thomas "Tom Cat" Capel

March 14, 1944 - February 8, 2025

W. Thomas Capel – Passed on February 8th 2025.

Born Tuesday March 14th, 1944, at the family home in “Bryantown” Bennett Point Road, Queenstown MD, to the late Mary Catherine (Katie) Lister Capel and Otto Harvey Capel.

“Tom Cat” as he was later in life referred to grew up on the Wye River and all of its waterways. He was the ultimate Eastern Shore Man, under the tutelage of his outdoorsman father. Tom excelled as a hunter, waterman, trapper, dog handler, marksman, and storyteller. Entertained all with precision and descriptive dialogue of his many adventurous memories.

He was best described as “one-of-a-kind”, strong willed, humorous, hardworking, strong yet gentile and loving man.

He met the love of his life Dorothy L. Patrick and together with their daughter Stephanie Lynn began an incredible journey of love and life together. They recently celebrated their 49th wedding anniversary on December 4th.

Tom worked for many years with his father as a partner in Otto H. Capel and Son-Fur Dealers. He also worked for S.E.W. Friel as a machinist, and summers from his workboat properly named the “WYE KING”.

He derived great pleasure from traveling with friends to decoy shows and was an avid decoy and gun collector. His collecting honed his bartering skills.

Above all Tom loved his family, was a proud and devoted son, husband, father, grandfather, and big brother with a gigantic genuine heart. He is survived by his loving wife Dorothy, two precious grandsons; Sam Fallon (Katie), Elijah Fallon (Misato), sisters; Mary B. Carter (Charles Sr.), Emily C. Meintzer (Mark), nephew Jonathan Perkins (Jamie), niece Billie Jo Carter Kneps (Carl), his faithful feline companion "Miss Kitty", and many friends, cousins, and family. He is predeceased with whom he will be reunited, parents : Otto and Katie Capel, beautiful daughter Stephanie Lynn Fallon- Zlatos, father-in-law Sam Patrick, mother-in-law Doris Perkins, and brother-in-law Bobby Perkins.

“ *What a wonderful and outdoor knowledgeable man, TomCat was!! The story I remember him most telling in our family store, Wye Mills Market, with the dying Chesapeake Bay, the government needed to contract with CATERPILLAR machine company, to install irrigation up and down the bay, to circulate the water to put oxygen back in. Heaven gained a very kind and resourceful man ~ Rest in peace dear soul*

“ Until 1972 I lived close to Tommy and Otto. As a young kid both took me under their arms to teach lessons that I cherish today. Tommy often took me hunting. Taught me how to trap. Taught me how to skin those animals for their fur. Took me oystering to cull and paid me. Even showed me how to hand tong. Crabbing and fishing were also taught. All along the Wye River long before the many homes lined its shores. He truly was the “Wye King” Tommy thanks for the memories. RIP

“ It is with deep sadness that we mark the passing of Mr. "Tom Cat" Capel, a true outdoorsman whose passion for the wilderness, trapping, crabbing, fishing, and hunting was unmatched. Tom Cat was not just a skilled woodsman and waterman but also a man who embodied the spirit of adventure, respect for nature, and the camaraderie that comes with a life spent in the great outdoors. His knowledge, stories, and friendship will be dearly missed by all who had the privilege of knowing him. May his legacy live on in the fields, forests, Wye River Chesapeake Bay he loved so much.
