“ *Peggy and Family: So very sorry to hear of Bill's passing! He was "one of a kind" -- smart, compassionate and funny -- and he loved his family so much.*

We have fond memories of times together at St. Mary's Church and school functions. Our favorite memory is when he gave the Commencement Speech in 1987 at your Michael's and our Christine's High School graduation. The thoughts he wanted to share were the important messages that apply to life which were contained in the poem by Robert Fulghum, "All I Really Need to Know I Learned in Kindergarten: Uncommon Thoughts On Common Things."

*Another Fulghum quote that I think applies to Bill is this:
"I believe that imagination is stronger than knowledge. That myth is more potent than history. That dreams are more powerful than facts. That hope always triumphs over experience. That laughter is the only cure for grief. And I believe that love is stronger than death."*

“ *Saddened to hear of Bill's passing from us, but joyful that he is with the Lord for eternity.*

May his soul rest in peace and may Peggy and the family be comforted. Thanks be to God for sharing him with us for so many wonderful years.

Two of many fond Bill memories...

Way back in about 1990, during our days in DC, Bill convinced me that drinking coffee black was the only to really enjoy it - and he was right.

My favorite Christmas Tree ornament for the past 30 years or so has been the Soft Shell Crab Santa from Bill and Peggy.

Thank you Bill and Peggy for the memories.
