“ Cindy, Jeff, Peggy and Jeremy, it was so good to visit with you all today. Living next to you for 30 plus years as neighbors was always a blessing. If you needed a tool we had, you were welcome to it and vice versa. Bill never ceased to amaze me with his knowledge of just about everything. He helped Mark out many times with computers; but then one day he surprised me by bringing a copy of “The Wizard of Oz” on DVD with a little note inside “For Dorothy and Toto”. I still have it. I am sure he has met up with Toto and they are waiting for us. God speed, Bill.

“ Bill was a wonderful, kind man and I was blessed to have had him in my life. I still don't know the difference between a megabyte/terabyte, :) but he was always there to answer any tech questions I had and helped me navigate a computer many years ago! He was loving and accepting and he will be missed.
