“ Dr. Sieffert was our family dentist for around 25 years. During that time I had given him a testimony about me going through surgery and all the experiences surrounding it.

One day shortly after I was getting my teeth cleaned. After the hygienist had finished, Dr. Sieffert was going to check my teeth. But before he did he said to me, “Is Jesus taking care of you like He is me? I have never forgotten that.

“ My letter to Bill when he retired:

*Hello Bill, I finally get around to drop you a note on your retirement. First and foremost, let me wish you many wonderful and healthy years enjoying the fruit of your labor. You earned it the old fashioned way - you worked for it.*

*I also want to take this opportunity to thank you for the dedication, enthusiasm, and professionalism with which you approached every one of our dental issues. Never before did Elke and I experience and benefit from a professional's skill, honesty and dedication to the degree we did with you.*

*You believed in what you did and you took pride in what you did.*

*Thank you! Joe and Elke Wiedemann*
