“ *Tim & Cathy, Billy will always have a special place in our hearts. Our family has lots of memories of your family that we hold very dear. Billy was always friendly and upbeat and we loved talking to him whenever we saw him in town. I hope that you know that Billy loved you all so much...all he talked about was family!! I will really miss seeing him...but even now when I think of him, I smile.....he was that kind of guy! Terry (Casson) Higgins*

“ *Bill Cannon.....where do I start? Bill was one of the nicest, kindest people I have ever known. He just couldn't do enough for you whether he knew you or not. You never knew where you were going to see him. Bill had one speed and that was fast forward.I don't know how we will ever be able to open the shop without you. :) Thank you for being our friend, making us smile, driving us crazy only to make us smile again, taking such good care of us and being part of our family at Illusions.It will really be hard turning into the shopping center on Monday mornings and not see you waiting for me with that big smile.You will be deeply missed by all. Good bye to our Super Hero.*
