“ *How lucky am I to not only say that I have known this man since I was 8 yrs old, but that he is also my Father in law. I am so grateful for having spent so much time with you. You were one of just a very few people who could get away with calling me by my middle name. I will miss the funny bantor between the two us and that amazing smile that we saw every day. Until we meet again, all my love, Donna Ellen*

I will miss my Uncle Bill's smile and big laugh! I love the relationship he had with my Dad, his brother. oOne childhood memory I have is that he introduced me to Kellogg's Sugar Snap cereal when I was a toddler! He showed me how to toss the up and try to catch them!!! I also remember how he'd color with me at my grandparents house on the Magothy River, helping me stay in the lines! Until we meet again, go with grace, Uncle Billy❤️

“ You are the greatest man I have ever know, not just because you are my Dad, but also because you are a text book example of what a human being should be. I'd say rest in peace, but I'm sure you're standing on that special pier with a fishing rod in your hand. Love you so much Dad, we will met again.

“ *I have so many fond memories Of Mr. Bill. I have literally known him my entire life. He was such a great man and I admired him so much! I just loved his smile and he always made me laugh, he even got me in trouble with my mom a few times when I was little (He was a bit of an instigator). When I worked at the snack bar at Severna Park lanes, I always had to keep the pickles filled because he would always come and steal them...he love pickles! A lot of people might not think growing up at the bowling lanes would be ideal , but I think it was perfect and wouldn't change it for anything. Mr. Bill, I want thank you for being a part of my life, you will be missed!*

All my love to Mrs. Betty , Michael, Billy and Donna.
