“ Thinking of him bringing all of you to Chesapeake, Virginia to visit us, when you, Billy, Donna and I were young kids... and the car with the "sort of" copper bottom and beigeish top (your family car) he drove you, your Mom, Billy and I in during the trip "back" to Easton, where I spent a week or two with Grandmom and Grandpop. ... I also remember his presence during family gatherings for Christmas, and the holiday dinners with all of us around the table at Grandmom and Grandpop's... Most sincerely, your cousin, Dorothy/Dominique

“ I have known the family from the mother and father on down for years. I have not seen anyone from the family for years but my thoughts and prayers go out to all of them. I have good memories from when I did see them last. I am very sorry for the loss of your loved one.
