Wow , Bill was one of the kindest most thought provoking person in my life. He always made me feel very important. Bill appreciated the finer things in life and was able to recognize them and achieved them. The stories he shared with me I think about often. One thing that always sticks out in my mind," Sammy it doesn't if your talking about \$10,000 or millions of dollars the margin of victory is the same. " he was trying to tell me to always try to make a profit in whatever venture your in. I appreciated his guidance cause I've always had that in the back of my mind. Linda I did try to call Bill after you urged me to but after a couple times of not getting an answer I didn't try again. I wish I had .

Thank you for your kind words. Bill wasn't too good with his smartphone. A bit of a standard way of life man. I know I will miss him greatly. You and Connie are wonderful friends and I know Bill would say it was a gift and pleasure just to know you.

In all my 30 years of life I have only ever seen one picture of my grandfather. I wish I could've known him, seems him and I have a lot in common. And he could've met his three great granddaughters.

“ *Dear Linda, I only know you through Peebles store & I know that you too are a hairdresser.. I ran into you a few days ago in Peebles & you told me that you had just lost your husband. As, I can see by the tribute video, he seemed to be a horse loving & bull loving man. Looks like he loved the country life of farming & gardening. I certainly didn't know him, but I can tell, that you both had a good life together. I have prayed that our Almighty God will give you strength to bear your loving loss & give you peace knowing he is at rest & absolutely no more problems. Thank you Bill for serving our country ! Rest in peace. God Bless you & your family Linda. An Easton Hairdresser, Debbie Mayhew*
