“ My sincere condolences to all of Billy's family and friends. I remember when his daughter was born and how proud he was of her. It took him the longest time to come up with her name but when he did, he was excited. Sympathy to all of you. Eddie and Rita.

“ Mr. Kenny, Kenny, Robin, Extended Family and Friends of Billy. So sorry to hear of Billy's passing. As teens, we were like Tom Sawyer and Huck Finn, hiking the woods from Spring Cove down through East Neck Island and beyond, enjoying nature through our youth, scouting around the creeks in my canoe and riding our bikes all over the country side of our little town. Billy was a Good guy, I'll cherish the memories I have of our youth. My hope is, to see him one day again, in Heaven. Hugs and Blessings to all of you, as you go through this most trying time. Billy,
Funny how our life's crossed paths, in the beginning our first encounter was interesting to say the least. Glad Jen, you and I got some good laughs out of that encounter. Then years later we crossed paths again and our friendship grew especially over our obsession with Big Brother 😂 I think the three of us could have spent hours talking every time we saw each other. I was sad when I left Rock Hall and definitely missed seeing you guys. But now I am sadder knowing that we won't have anymore chances of interesting encounters or one of our talks about everything and anything. I really am glad that we three became friends and I hope to run into you again some day. RIP Billy.
