

William Alden Hall

March 18, 1989 - November 23, 2024

William Alden Hall, beloved son, brother, and friend, passed away unexpectedly on November 23, 2024, at the age of 35. Born on March 18, 1989, Will was the cherished son of James and Lynn Hall, and the devoted brother to Catherine and Derrick Hall. A kind and compassionate soul, Will touched the lives of all who knew him with his warmth and creativity. He was the loving nephew of Elizabeth Wright and her husband Ira, Robert Lewis and his wife Jennifer, and the late John Hall and his wife Patricia. Will is also survived by many cousins, extended family, and a wide circle of friends who will miss him dearly. He earned his bachelor's degree at the University of Maryland and went on to have a career in the mortgage industry. Will loved innovating and creating - whether it was building his own electric bike, woodworking at the family cabin, or working on his cars (his favorite being Mustangs). His creative spirit shone through in all he did, especially in photography. Notably, he loved capturing the breathtaking beauty of Yosemite National Park. His appreciation for nature's beauty extended to the sky, as he enjoyed star gazing and meteorology. His passion for extreme weather took him on two different trips across the country, chasing tornadoes. Will's intelligence, creativity, and deep compassion made him a friend who was always there when needed. He had a unique ability to give thoughtful, often handmade gifts, always ensuring that his loved ones felt special and appreciated. His love for his family and friends was evident in every gesture, and his absence will leave a profound void in their hearts. William Alden Hall's

legacy will live on in the hearts of all who were fortunate enough to know him. He will be deeply missed.

A celebration of life will be held at 11AM on December 14, 2024 at Christ Church on Kent Island. In lieu of flowers, please make donations in Will's memory to the Yosemite Conservancy at <https://yosemite.org/>
