We have lost another "true" waterman. "Bo Bo" could do it all on the water or hunting. He always looked out for me when I was just starting out on the water and always told me stories about how many oysters my father and Uncle Newman could catch. He will be truly missed. He is heaven now squeezing someone's hand and giving them that boyish grin of his.

“ Mary Esther, Pam, Bryan and extended family. As you grieve your family's loss, the Eastern Shore grieves, the "Little Legion/296" and all of your friends and Bo's grieve with along with you. As Keith says "we've lost an Icon, and a dear, dear friend." What stories the boys of LL can tell, of wonderful friendship and hunting, crabbing, fishing, and oystering tales. And a few tales of "too much fun at LL." I first met Bo in 1984 through Gerry and Sue Wheaton, we were all neighbors at one time. I last chatted with Bo about 3 weeks ago. Always, always the pleasant man, to me. A big teddy bear! But brother and sisters..don't make him mad! LOL. M. E. I know you will miss him. And so will his children and grandchildren. Along with us all, rest in peace dear man. And Bobo...as you liked to say "Now.....that' enough!" A right hand salute to you Commander (SAL), Keith and Teresa Rutter.
