

## William D. Horney

January 9, 1956 - January 5, 2015

William Dawson Horney, "Bill" died on January 5, 2015, at Talbot Hospice House. He was 58.

Bill was born on January 9, 1956, in Easton, MD. He was the son of the late Joseph Sewell Horney and Ernestine Barrett Horney.

In his younger days, Bill was interested in working on cars and spent time drag racing. He also enjoyed visiting and counseling at Camp Pecometh, where he realized how much he enjoyed helping children learn. He would later become very active in the Boy Scouts of America, via Troop 190. Bill enjoyed helping others, all throughout his life, giving his time and effort as a volunteer for Easton Volunteer Fire Department.

Later he invested his time in his four children, participating in his son's Boy Scouts events, baseball games, camping, fishing and his daughter's softball. He loved family, friends and the outdoors. He enjoyed learning and providing for others who may have been in need. He became very close to his faith. He was loved by many and will always be missed.

Bill is survived by his children, Michael J. Horney, Christopher R. Horney, Nicholas G. Horney and Mollie R. Horney; sisters, Joanne Drummer (Dan) and Barbara Wood (Phil); and many cousins, nieces and nephews.

A visitation will be held on, Sunday, January 11, 2015, from 5 -7 p.m., at Fellows, Helfenbein & Newnam Funeral Home, P.A., 200 S. Harrison St., Easton. A funeral service will be held on Monday, January 12, 2015, at 11 a.m. at St. Mark's United Methodist Church, 100 Peachblossom Rd, in Easton.

*I was teary eyed before watching this, and I cried like a baby throughout. What a kind loving man and an awesome brother, dad, and grandpa. I'll be keeping the whole family in my prayers, all because I met Andrea. I realized how awesome of a person she is, therefore her mate and his dad must be awesome, good hearted, people as well. Those pictures say so much! Love, LaToyia.*

*I worked with first Bill and then Bill and his son Chris for many years at David A Bramble, Inc. bill was in the lab at Wye Mills. Bill was always there if something was needed. If he did not have it, he would make it from scratch. Bill used to get his father who could make anything out of sheet metal, stainless, or steel to help us out from time to time. His son Nick would show up every now and then, especially when he has a school project or Scout project. I remember when Nick made his Eagle Scout fixing up the church cemetery pathway. Bill's daughter Mollie was a regular visiting the lab. What a great family. Bill will never be forgotten. My thoughts and wishes are with the whole family.*
