“ Extremely saddened to learn of Bills'passing. Bill was a good friend and classmate all through High School. In recent years he made annual trips each fall, with his brother Jim, to visit his schoolboy friends in Sunderland, Ma., where he grew up. We shared many memories during those visits and he will be remembered fondly. My deepest condolences to his entire family. May he rest in peace!

“ *I've known Bill and his Brother Jim since the 40's. We all lived in Sunderland, Ma and went to the same school together. As time went on we all went our own ways, but I met up with Bill for a short amount of time working for Kollmorgen Corp in Northampton, Ma. Kollmorgen was a manufacturer for submarine periscopes. I was in the electronic dept. Not sure what dept Bill worked in, but we enjoyed each others company when we had a chance to get together. Bill and Jim visited my wife and I back in 2017 when they were up this way seeing others that they knew. So glad we had that chance to get together. This is what memories are made of. Priceless. RIP Bill.*
