“ I bought a condo in Queens Landing in Jan. 2006 for a rental and Bill was a tenant living there . He came with the property and he told me he was not going to move! He and I became friends and we played guitar together off and on. Last year I told him he would have to move because I was going to sell the property. He told me he did not want to move so he and Anna bought it! He was a great guy and I will miss him.
