

## William Peter Jensen Jr.

April 18, 1934 - August 21, 2025

Kent Island resident William Peter Jensen, Jr. passed away from cancer on August 21, 2025, at Compass Hospice House. He was 91.

He was the son of William Peter Jensen, Sr. and Pauline Jensen (Biddle) of Camden, DE. He is preceded in death by his much loved spouse of 53 years Sue Jensen (James).

Pete's favorite focus was family. Fond memories include pasture football at Thanksgiving, surf fishing, crab feasts, horseshoes, volleyball, poker, dominoes, snipe hunting, and a trailer/barrel/saddle ride around the "ranch". He was a NCAA Referee for 25 years. He worked along with his brothers as a skilled home builder and developer. His 50 year career in federal and state government focused on fisheries research, marine mammal, wildlife, and endangered species management. His work with the National Oceanic and Atmospheric Administration (NOAA) allowed him to travel the world.

Forever missing him will be his children Peter (Teri) and Suzanne (Paul); loving granddaughters Claire (Dan), Kelsey (Ryan), Melissa (Will), Bryn (Collin), and Hope; great-grandchildren Logan, Riley, and Mia; brothers Clyde (Lisa), John (Elaine) and sister June; as well as amazing nieces and nephews.

No services are planned at his request – go fishing or enjoy your local waterway instead!

WS

“ *Worked with Pete's wife at DNR and knew Pete from Fisheries at DNR and from Sue, his wife. He gave a lot of his time and knowledge to DNR while he worked there. He was a gentleman whenever I saw him. Keep his memory always in your heart.* ”
