

## William Edward Kline

February 17, 1952 - April 28, 2025

William Edward Kline, beloved husband, father, grandfather, brother, and friend, passed away peacefully at the age of 73. Born in Baltimore, Maryland, Bill was known as the town's go-to computer man and was always ready to lend a helping hand. He owned Computers of Easton for the past 20 years and took pride in helping others through his work and expertise. He will be remembered for his generous spirit, quick wit, and the love he shared with everyone around him. He will be deeply missed.

He is survived by his wife of over 50 years, Pam; his daughter Farrah (Colin); his grandson Justus, whom he raised like a son; grandsons Nicolas, Kaleb, and Braden; and his granddaughter Ally, all of whom he loved with all his heart. He also leaves behind his best friend and brother Ricky, his brother Kurt, his sisters Debbie and Bev, and his loyal fur buddies Skip and Gunner.

He was preceded in death by his parents, Louis and Doris Kline, his brothers Mark and Louis, as well as his sister Susan.

Services will be announced at a later date.

“ *Billy.. He was a great computer guy & friend! We talked computers, dogs, guns, and anything in between. Billy was my computer guy at my previous job of 8 years - always quick and thorough. Thinking of his family & his dog. Billy was a great friend & will be missed intensely. I'll shoot a couple rounds off in your memory!* ❤️

“ *Gosh, this hits my heart. I knew something was up when for the first time ever, I did not get an immediate response from Bill when in need of a computer issue. Always Always kind, thorough, fair, generous with his time, day or night. We would share political shop talk, Easton talk, and conversations around his earlier days. My prayers and hugs go to all of his family. RIP my friend.*

“ *I just found out that I have lost a cherished friend... I wasn't blessed to have Bill as my friend for very long, but the time that I did have him as my friend I will hold very dear to my heart forever. Bill was absolutely the most giving, genuine, and real person I have ever met. I looked forward to speaking with him and seeing him whenever the chance came about because no matter what else was happening he was always right there almost immediately with his smile, his humor, and his vast knowledge (and his love for chocolate!) ready and willing to do whatever it took to fix something...and he always magically DID fix everything! Bill made life good again! Bill was exceptional! I feel very empty right now... Stay at Peace, Bill :)*

*To Bill's Family: We are so very sorry for your loss. Bill was a true gift to the Universe and may his memory live on through all of you.*

“ Bill will be missed deeply by many. I met Bill some 20 years ago when I brought him my company issued laptop for upgrade and work. Over the years where ever I worked, if they needed a "computer guy", I was happy to call Bill. He was fair, honest and always had an endearing sense of humor.  
Warm regards to his family in this sad time.  
May his memory be a blessing.

“ Billy I don't even know where to begin to start 😭🙏..you were in my life 50+ years. You were more of a replacement when Ray wasn't around. You ALWAYS pulled pranks on me even a week before God needed you 😞💔.

We don't understand God's reasoning when things happen. Billy I'm gonna really miss your pranks jokes our conversations etc..I'm so grateful with my every being that you loved Kenny as your brother n law he thought the world of you too..he's really gonna miss your & his talks when you'd sit in our vehicle for hours while Pam & I smoked 🚬..by the way you're the ONLY one he allowed with a lit cigarette 🚬 in our vehicle I couldn't even do it. 🤔🤔..Billy you were a phenomenal person in so many ways..I remember when you had me behind the saddle of uncle Bo's horse 🐎 for hours I mean hours by the time we got off I could barely walk & your laughing your butt off..I didn't know that you weren't supposed to sit behind the saddle! definitely do now then the time I was on the back of your motorcycle(Norton not Harley) your laughing you butt off I asked you in your ear why were you laughing your response was I just did a wheelie a whole mile down Rt. 50..Billy you filled the void when Ray & dad couldn't be. I'll forever cherish our 50+ years together. It's hard to believe you're no longer with us, but God needed you more..you rest easy in heavenly paradise 🕊️🕯️ until we meet again..oh don't eat all the hot dog gravy save some for me (inside family joke of many he pulled on me), but I'm definitely going to miss them & him. 😭💔😭💔 I could write 📖 a book, but I just you to know Billy how much you meant to me for ALL those years and the time you knew Kenny..
