“ Bob and I are sad to learn this! As a child, my family grew up in Wye Mills and we went to school with Kathy and Billy 😊 Bill was a gentle soul! Many years later, Bob and I bought Mr. Percy Allen's house and Bill was our neighbor and what a GREAT neighbor he was! 😊 We had him over for dinners and he was always willing to help with any project Bob and I had going on. May your memories bring a smile to your face as you reflect on him and his past 😊

I am very sorry to hear of the passing of Bill. I grew up in Wye Mills and went to school with him. We had a lot of good times together. We spent a lot of time riding our bikes around that town and on the last day of school, we would ride to Centreville and back.
