“ When we were kids oh how we'd laugh and play. Here are a few memories I thought of you today. Marbles,baseball cards,arrowheads,fishing and swimming everyday,while rocking to KISS music all the way. X-mas eve shooting your gun in the air. Having all of us crying in fear when you told us you shot Ruldolph the red nose reindeer. Nobody could get you on a double dare even if it meant eating raw hamburger and dog food you did not care. Oh! let's not forget those berry battles and going home you know who got the paddle. I soon realized why I was never on that that team,When I saw you smiling from ear to ear with a beam. Hiding in the woods on a weekend day. Laughing as we watched Buddy loose his way. How we thought it was funny to hear him scream your name. Buddy never realized that was our funny little game. We could always count on you to get that deer and to help feed us into the new year. Snowball fights shooting tin cans overnight you became a young man. A Hunter A Friend A Father at last who would have thought you'd be gone so fast. Your home, home at last, you have been set free joined with your Mother and in her arms where you always wanted to be. “ *Daddy i love you and miss you soo much!  
words cant express the hurt that i feel  
knowing that your not going to be here to call  
me anymore. i love you with all my heart and i  
will never forget you!*

*There's two things I know for sure  
She was sent here from heaven and she's Daddy's little girl  
As I drop to my knees by her bed at night  
She talks to Jesus and I close my eyes  
And I thank God for all of the joy in my life  
Oh, but most of all for..*

*Butterfly kisses after bedtime prayer  
Stickin' little white flowers all up in her hair  
"Walk beside the pony Daddy, it's my first ride  
I know the cake looks funny Daddy but I sure tried"  
Oh, with all that I've done wrong, I must have done something right  
To deserve a hug every morning and butterfly kisses at night*

*i love this song<3 daddy used to give me butterfly kisses all the time*
