“ Bill, you always were a great guy to work with and a great friend.....We had some really good times as friends and co-workers..... You were always positive about everyone and never had a bad word to say about anyone.....I will always remember you as a good friend.....It was so good seeing you a couple of weeks ago at Tom's retirement party....I got to give you a big hug and talk to you about old times and old memories....I will really miss you my friend.....My deepest sympathies to Pat and family.

“ I will forever cherish the friendship and memories that we have shared over the years. Having just spent some time with you a couple of weeks ago catching up and sharing a couple of memories and laughs, I can't believe that you have passed on from this life. Looking back on your life and the impact that you have had on so many people - I believe that you lived a very rich life - one filled with an abundance of love. You are beloved by many and you will be missed. My deepest sympathy to Pat & family. May God Bless!
