“ Dear Phyllis, Joy and Billy, I am so very sorry for your loss; and I want you to know how loved Bill was by Steven, Tiffany and myself. We all were blessed when we met Bill and he became so close to us caring, and every single day Bill spoke of each of you with great love and affection and appreciation! I was always so happy there was a man like Bill as admirable and honorable and caring for his wonderful family. He made it possible for our little family to go to the beach together for the first time for two days.. Watching over the business and offered to insisting, as a new family with Tif and he cares about us which was appreciated! He'd bring our little girl toys and say look what Phyllis picked out for Tiff and we kept them all. I want to thank you for sharing your husbands long hours and heart of gold with us for 5 years and know he loved you immensely! Tif and I work hard and struggle going forward without Steve and still on May 15 4 years now it is just becoming acceptable. So now Steve and Bill sitting with our Lord will be so wiser than we know and looking upon you all with pride and watching over you. I get many signs from Steve and promise you they never stop; you will too; and know it's all in Gods hands for sure. Love and prayers to you and your families and relatives and friends.
