My heartfelt prayers and sympathy to George's family. I had not seen George in awhile but George was always willing to stop and chat for awhile no matter how busy he was. George had not changed since high school, always friendly and outgoing and always seemed to have a smile on his face. I know he will truly be missed.

To the Sherwood Family: We have surely lost a good friend and he will be missed by many. He is now in God's corner of the world and time and prayer are the keys to healing the pain. It was always a pleasure seeing George and chatting about the good old days at Centreville High School. Will remember the square dancing days at Centreville Elementary School. May hope find its way to your hearts and may angels walk with you today and always. God Bless, Lynda Harris Palmatary, Class of 1966

Another classmate has left us and he will be missed. George always supported our class reunions and was good to see him at all of the gatherings. Our many blessings are with his family at this time. Rest in peace our dear friend. Class of 1966.
