R.I.P. my precious brother until we meet again in Paradise. No more heartaches and no more pain my love may you now have peace. I will miss your phone calls and hearing your sweet voice. You were such a wonderful brother and I'm going to miss you so much. I know how much you loved Lisa and William E. and your grandchildren because you told me so and all you wanted to do was see William E. once more but now you won't be able to and I'm so sorry for that. But, now you can look down on us and smile because God has called you home your labor here on earth is done. God knows you took care of more than your share. I love you with all my heart. Say hi to mom and dad and Michele for me okay.
