“ *Kodey was my son Damons best friend since elementary. Once when they were about 12, I remember one time we moved to Maryland and he came to stay the night. He had to call his mom to come get him three hours into it because he felt too far away from his mom. We love you kiddo. You will always be in our hearts as you were part of our family..My prayers are sent to the family, and friends. Truly heart breaking.*
