“ *Hello Walterhoefer children. I am so sad to read of your father's passing at such a young age. I will always remember him as a great neighbor for the 10 years we lived next door in the Cape.  
May the Lord wrap his arms around you all in your time of sorrow.

“ Deeply sadden to hear of Bill's passing. We worked together at Agency and in the same office (desks side by side) for many years. He was one of my closest friends before I retired in 1993. Sadly I did not get to see him much after he retired and moved to lower, slower Delaware, as he called it. I was also sadden when he sent note that his wife Julie had predeceased him as I knew her quite well. My sincerest condolences to his surviving family. You are all in my wife's prayers##imported-begin##James B. Hash, Jr.##imported-end##

“ Bill was a great man. I had the pleasure of working with him when I worked at Long Neck CHEER and he volunteered in the kitchen and did a support group for individual's with Alzheimer's. I really enjoyed getting to know Bill and I considered him a father figure. It's hard to believe he is gone, for I did not know there was anything wrong with him. I saw him about a month ago and everything seemed fine with him but he wasn't the kind to bring attention upon himself. If anyone in the family or any of his friends need anything please do not hesitate to contact me.  
Watch over us Bill. I will miss you dearly.

“ Please accept our most sincere sympathy during this very sad time. We knew Bill from our NSA days. Bill's devotion and love for Julie during her illness was an inspiration. We will always remember his warm smile - he was a true gentleman and one of the nicest men we've had the privilege to know. He is in our thoughts and prayers.##imported-begin##Bob & Sandy Garrick##imported-end##
