“ *I will always remember Bill from many years of Medicare and Health Care Industry meetings in the 80's and 90's. I can still visualize and hear his voice as he led many task force meetings about Medicare cost reporting. His vast knowledge of Medicare was amazing. He was friendly and kind to everyone. He has been missed by so many of us. Bill Erwin*

“ Dear Frankie and Family, You may not know who I am, but I had the pleasure of working as a direct report to Bill when he was my division director. He was my boss when I first became a supervisor (more years ago than I care to count!). The lessons he taught me by example, of the importance of integrity, proficiency and the ability to accomplish both with a sense of humor are lessons that I have tried to emulate in my own career as a division director. The Medicare program really "worked better and smarter" because of his hands on approach to supervision. I hope it's a comfort to you to know he will be missed by all of us here that had the pleasure of working with him. Wishing you only the best in the future. Tzvi

“ Frankie and Family,
Nancy and I were deeply saddened to hear of Bill's passing. We have many happy memories of time spent with Bill in our more youthful days (Nancy at Ascension School, and Jim at St. Joe), our cruise to Bermuda, and various social occasions. Bill was a very bright man, a very quiet man, and a very good man. We know the whole family has endured a difficult time, and our prayers are with all of you. Sorry that we are not able to be there in person, but we are in spirit.
Love and Best Wishes,
Nancy and Jim Clark
