I'm sorry.*

That every night I sit and pray.
Hoping you can hear me say
I miss you and I love you.*

“ Tears streamed down my face when I saw you that way.
I love you grandpa, I will love you everyday.
As my tears raced down my face;
I knew you'd soon be in a happier place.
My love will follow you wherever you go.
Oh, how I loved you so.
Although I feel sorrow and hate.
You can't fight fate.
You told me everything as time passed by and by.
I never wanted you to die.
We did a lot together throughout the years.
It's time to wipe away the tears.
I want you to know;
I will never let you go.
i know you loved me too.
My heart will always be with you.
Now it's time to say goodbye.
Until I see you again someday when I die.##imported-

“ My thoughts and prayers are with you. Mr Bill and Dad spent many hours up and down the roads together working and shared a lot of good times, too. Growing up, I always saw Mr Bill with a big ol' smile and he would always tease me about whatever he could pick on me for at the time. He will always have a special place in my heart, as well as, our family's. May you hold every precious moment in your heart always.##imported-begin##Debbie Mattox Teat##imported-end##
