“ *Elmer, I never had the opportunity to spend time with you and your family but the memories of your visits to see Dad at the farm, your growing flowers on the farm to sell in Balltimore are treasured memories. Your visits with your wife Laura, her father and son Bob were always enjoyable and Dad enjoyed discussing the news of the Pennsylvania Railroad after he retired and you were still working there. I often how great it would have been to have a closer relationship with you and your family. You will be missed by me and many others. "THANKS FOR THE MEMORIES". My condolences to your family,
Frank Wheat*

“ *Bill, I will miss our talks and your sharing memories with me about Dad, family and the people in Severn we knew. You had so much of the family history committed to memory but was never put on paper to preserve for posterity. Now you are gone and all that history is gone with you. I have many happy memories of years passed and you will be greatly missed. I love you. Your sister, Janey Wheat Andrews*
