*I am an old co-worker from Giant food, and Julie was a dear friend who was a light in my life and Norb was too.*

*I remember her telling me about Billy Graham when we were talking one day. Some time after that conversation, I saw that Billy Graham was coming to Oriole Park. So I asked her if she would like to go with me, and she said YES !!!*

*We both rode on the bus to get there, and we totally enjoyed that day. Julie loved the Lord, and she helped me to not be afraid of going to church, and to surrender my soul to Jesus. She was a wonderful woman, and I wanted to be like her! I loved her dearly, and helped her with Packing after she sold her house, and took her to get her hair cut. She was like a mentor to me. I will never forget her beautiful smile and her kind loving ways. She was a VERY hard worker, and a great encourager!!!*

*Julie Rehm will be missed by all who loved her. I met Heidi at work and her twins. I am certain that she passed and was probably surrounded by loving family members. God Speed and SOO MUCH LOVE to every member of her family. I pray that God will answer your Prayers. I was unable to attend her service today, so I told myself that I would leave a message on this board. I miss her already, but I did want you all to know how much she was loved. Certainly by all who knew her, as well. Goodbye, my sweet Julie!!! You were a special lady, and no-one could match your skills and know how !!!! I was BLESSED to know you and I will never forget you.*

*Much Love,  
Ed and Patti Owens*
