“ My Condolences to his family for the loss of their son and brother. I sure will miss Hobby, the fun we have had together I will never forget. Even took road trips some days. He was a unique character that's for sure. Gosh I believe I have known him all my life due to jousting I believe. He was always there for a friend to lend a helping hand. My memories will be cherished of our good times that's for sure.
