“ *Barbara and I were so very saddened to learn about the passing of aunt Winnie. She was such a warm and gracious person with an infectious humor that brightened our life and, we know, brightened the day of all that knew her or just met her. She was so cordial, kind and welcoming to Barbara that she felt she had known her all of her life. We were so very fortunate to have her as much as we did in our lives. We are saddened for the loss her husband John, daughters Lana and Sharon, grandchildren and great grandchildren are feeling right now and want them to know how much you all are in our thoughts and prayers.*

May God keep you all in His loving arms and daily lessen the heavy burden of grief you are now feeling. We love you all.
