“ Please accept my condolences to April and family. I loved being around Zach as did Chuck. We had such good times when together. He had that big smile and was that good kind of crazy that you couldn't help but love. Always was to me a happy go lucky guy. People come into your life that you will never forget. Zach was definitely that kind of person. April, you definitely will have a guardian angel. Sending to you great big hug and May GOD be with you during this time of loss. 🙏❤️
