“ *The Jensen family wants to send our love, thoughts and prayers to Barbara and the Walker family. We spent Xmas eves with them, camping trips and weekend parties that will always be remembered. Skip and Barbara along with the rest of the Walker family kept in touch thru out the years and we felt the love. Skip was just like his dad, 1st class.  
I know mom wants me to send you all a hug and her love. God Bless and remember Love never dies*

“ *My best memories are of the times when Skip and Barbara had the cousins and families out to their house in Glenwood for a cookout or crabs with horseshoes and a dip in their pool. Great times.  
Love and God Bless,  
Cousin Eddie*
