“ I want to send my condolences to the Pierce family. I am unable to attend the memorial service today, but I want you all to know that you guys are in my thoughts and prayers. Mom Pierce was one of the most kindest, gentle and generous ladies I've ever known. She always made us kids feel welcome in her home which, looking back, was quite a task, because all of kids had friends over most of the time! Always a house full! I have many fond memories of being there when I was younger. Thanks to your parents for helping to raise a whole slew of kids! Each and every one of us is a better person for having to know and love them!

Love, Tammy Strater (Carter)

“ I have to do this tribute to my mother-in law since I can,t be there. This women made me feel like the family from the start. We stayed up many nights till 2 in the morning sharing stories. Some good some not. I always valued her opinion. She would make her pinto beans which I would call YUCK beans because I wasn't use to them. She didn't care that I didn't like them and would make me something else. What special person would do this for somebody! But guess what , they grew on me because she made them. I will cherish all the fun times we had together and I am so happy that she was my mother-in-law. Could not be luckier! Love you much. Rest in peace. Your daughter-in-law. Pam Pierce

“ *Willie & Family,*

*We were so sorry to hear of the passing of such a sweet & lovely women. The three of us have so many sweet moments when we lived next door in Downingtown,PA with such a sweet family. so many times Ann watched us and our mom you kids. And the great food Ann cooked for us. When we moved away we never loss touch with her and the family. I so remember her great corn bread & pinto beans she would cook. Also remember that our Dad, Ricky, Robin got to go for a visit to Maryland for Willie's B-Day and Ann's macaroni salad tasted just like our mom's & Ann told Tammy when I said that Ann answered that's because Anna taught me how to make it and that made me think of my mom on that day with the loss of her. We all have so many great memories. We know Ann is in heaven with family and friends & having a good time and cooking up a storm.*

*Our thoughts and prayers to you all.*

“ *The world is a little less bright without this sweet woman in it. As one of the many "adopted" kids, we had bon fires out back, there was always a cold one in the fridge with your name on it and if you were hurt, sad, upset, she had a few words of wisdom to help ease the pain.. She was a second mother to me, an amazing friend and an inspiration to always be kind, even through the hardest of times, be kind. I was a fortunate orphan at an early age and the entire family took me under their wings.. I'm lost knowing "Mom" Pierce isn't out there with her warm smile, a hug and some awesome biscuits and gravy.*

*My children and I will miss her very much, but she will live on in our hearts as we all endeavor to be more like her, more like "our Mom."*

XOXO

“ I remember a few years ago my mom and I went up north to a family reunion, and we were staying with Inamae while we were up there. It poured the rain on us almost the whole way there, and when we got there Inamae was still up past midnight waiting on us to get there. She was my great aunt, and she was very dear to all of us down here. She was one of the kindest and most caring people I ever knew, and she will be dearly missed. We love you Inamae!
